**Little Guy Oilfield Rentals Announces Their Newest Location in Grande Prairie, Alberta**

**Leduc, AB:** Today, Little Guy Oilfield Rentals, the industry leader in matting solutions, announces their newest location in Grande Prairie. This new location allows Little Guy to better service both existing and new clients in the region. The explosion of growth associated with the Montney play requires a matting company capable of meeting the needs of the region. Little Guy is uniquely positioned to supply North Western Alberta and into British Columbia with our proven Wood Access Mats, Rig Mats and our #1 rated in durability composite offering; SignaRoad.

“It is exciting to expand our business into Grande Prairie, a region that is constantly pushing the envelope when it comes to matting and oilfield technologies”. Little Guy Oilfield Rentals Co-owner Marty O’Bray said in a statement. “Our focus is to offer progressive product lines to our clients in the Alberta market with an unmatched transparency in the industry. The Grande Prairie location allows us to bring our mats closer to the worksite, to reduce cost, and deliver the exceptional service Little Guy is known for.”

The new location will be headed by Stuart B. Young, the Manager of Business Development. Stuart brings a wealth of knowledge and matting experience to Little Guy’s newest location. “The Montney is a driving force for the Province of Alberta, I’m excited to be a part of the Little Guy team and to bring their high quality service to the region”.

Stuart can be reached by phone at 780-831-0007 or by email at [stuart@littleguyrentals.com](mailto:stuart@littleguyrentals.com).

Little Guy Oilfield Rentals is able to service Alberta and North Eastern B.C. efficiently from our head offices in Leduc, our lots in Crossfield and Warburg and of course our newest Grande Prairie location. Little Guy is proud to spread new technologies, exceptional service, efficient mat washing and our Little Guy spirit across the industry.
